*Prepare for a sensational skincare experience with Mindi Walters' dynamic duo: the **Refreshing Mint Cleanser** and **Antioxidant Day Crème**! Start your day by invigorating your senses with the minty-fresh goodness of the cleanser, as it revitalizes and purifies your skin with a zesty tingle. Then, let the Antioxidant Day Crème work its magic, providing a nourishing shield against the elements while leaving your face feeling as soft and supple as a summer morning. With this powerful pair, your skincare routine will be elevated to a whole new level of delight and radiant beauty!*

Mindi Walters has been giving clients healthy and beautiful skin for 20 years. Mindi

started working under some of the most renowned skin experts in the industry before venturing off to start her own skin care clinic. Throughout her career she has built a reputation as one of the most sought after skin experts of many Hollywood's most

beautiful and recognized faces. Mindi has been featured in numerous publications including Cosmopolitan, Who What Wear, with appearances on the The Doctors and CBS News. Her passion, expertise and focus on results for each and every client has given her a tremendous and respected following. Lots more to come the following year!
