Kick pests to the curb and treat yourself to a night in! This all-in-one package includes a one-time pest control service to send the bugs packing, a trusty pizza cutter for your next cheesy masterpiece, and an oven mitt to keep your hands cool while the ovenâ€™s hot. When life gets hectic, squeeze the stress ball and let it all go. Crack open a cold drink with the help of a handy koozie, and if any flying intruders try to crash the party, the fly swatter has your back. A perfect mix of peace, pizza, and pest controlâ€”because you deserve to relax in a bug-free zone.
