

## 2nd Annual Auction He Intends Victory

### Eco Smart Tankless Water Heater

#29

Starting Bid **\$45.00**

Donated by **Jim Palmer**

*This compact, tankless electric water heater is perfect for bathrooms, office breakrooms, wet bars, or RVs. Designed to save both space and energy, it features durable copper-sheathed heating elements for long-lasting performance. With easy installation and adjustable digital temperature control (80 °F to 140°F), it offers convenience and efficiency for any setting.*
