- Savor the flavors of France with an in-villa wine tasting included
- Relax on the charming stone terrace with a private, heated pool
- Enjoy authentic detailing of aged stone and exposed wood beams
- Discover the region with day trips to medieval cities and ornate chateaux
- Benefit from Premium Guest Services for trip planning

Few places inspire more timeless romance than a villa in the South of France. Nestled in the PÃ©rigourine countryside, your home's aged stone and exposed wood beams

transport you to a dream of days gone by. Embrace authentic French living while enjoying contemporary luxuries like a stunning private heated pool.

*Your villa is tastefully arranged in a classic French farmhouse style, balancing the statement*â€¦
