*We are an independent California coffee company producing premium organic craft whole bean coffees & coffee beverages - proudly dedicating 10% of our annual profits to enriching the lives of children living with autism. Through our #tenforautism initiative, we hope to encourage for-profit businesses to create funding to enrich the lives of children living with autism.*

*The term "Humblemaker" is symbolic of "Quiet Craftsmanship" - the moniker of a brand founded upon unwavering quality, ethical business practices, and philanthropic & environmental values. Fair-trade, organic ingredients are used whenever possible and we are an official member of 1% for the Planet.*
