About Schooner or Later

We opened our doors on May 12, 1985 and it has been a great journey!

When we bought this café the name was not Schooner or Later, it was called the Little Ships Galley, owned by Earl and Helen Schultz. Our most famous dish is called the "Schultzie's Mess" because it was created by Helen and Schultzie (Earl's Nickname). Schultzie continued to be very much a part of Schooner or Later, in fact he made chili (from scratch) for us every week until he was 80 years old and it got to busy for him to keep up. He was here every day enhancing the lives of the old and the new. The

Schultzes owned the "Galley" for 20 years, and customers still sometimes come in and ask about them. Schultzie passed away in 1989..
