Flattering and glamorous, this layering necklace and huggies are crafted in solid 925 sterling silver with gold overlay and the world's famous zirconia, which is considered to be the best diamond look-alike ever developed! These lovely pieces are hypoallergenic. The necklace measures 18 inches. The earrings have signature backings with silicone inside, to keep them in place. Outstanding packaging for gifting or keepsakes! Created exclusively for the nonprofit community. Special feature: double up the necklace and wear it as an anklet!
