Beautiful Chaos (print)

#11

Starting Bid **\$150.00**

This is a limited, one-of-a-kind print that is very special to me. The backing photo is a 9 shot film exposure shot of horses and landscape on top of the West Texas Forever shot in Van Horn. This piece is a representation of my life as an artist. Light, dark, growth, gritty, beautiful but chaotic.

18x24 - \$150
