Forgive me, Calypso

#4

Starting Bid **\$1,000.00**

1 Available

This painting is a fusion of my love for the ocean and my Western heritage.Â

In Greek mythology, Calypso was the sea nymph who entranced Odysseus, holding him captive on her island for years, torn between

love and destiny.Â

â€˜Forgive meâ€™™ reflects my struggleâ€”drawn to the endless pull of the ocean, yet bound to the call of my Western roots, much like Odysseus yearning for home.

39" x 27" |Â Oil on Canvas
