This bold and cheeky piece by artist Matthew Laurence Knott titled **“SWEET FOOT SUE,”** gives the iconic Western character a glam pop art makeover.

Slue Foot Sue is portrayed mid-primp, confidently gazing into her compact mirror, surrounded by a whirlwind of expressive, high-energy brushstrokes.Â

The vibrant backgroundâ€”bursting with neon hues and dripping texturesâ€”adds a raw, abstract intensity that contrasts with the clean comic-style line work.Â

Itâ€™s a celebration of femininity, flair, and frontier sass, fusing vintage cartoon charm with street-style bravado and contemporary edge.

SIZE: 36 inches by 36 inches.

MEDIUM: Acrylic and aerosol on gallery-wrapped canvas
