

Case of Iron Lung Lager

Starting Bid **\$35.00**

Retail Value \$80.00

1 Available

Donated by PDG Larry Horton

There's nothing better than enjoying a nice cold Iron Lung Lager with a few friends while barbecuing brats and burgers on the grill. Cool and refreshing, it's the perfect way to relax and unwind. Even better--every sip helps make a difference, with all the proceeds supporting Rotary's mission to eradicate polio worldwide. Cheers to good friends, great beer and a world free of polio!Â
