

A close-up, side-profile photograph of a brown bear standing in a grassy field. The bear is facing right, with its head slightly turned towards the viewer. Its fur is a mix of dark brown and lighter, ashy brown tones, particularly around the neck and shoulders. The bear's eyes are dark and focused, and its mouth is slightly open, showing a hint of its teeth. The background is a soft, out-of-focus green field with some yellow wildflowers visible in the lower right. The lighting is natural, suggesting daylight, and the overall mood is calm and observational.
