3 Available

Celebrate your sophisticated style with our Brilliant Cocktail Ring in platinum. This beautifully crafted piece is the epitome of elegance and timeless beauty, making it a stunning addition to any jewelry collection. The ring is thoughtfully designed to reflect a blend of classic and modern aesthetics while adding a touch of refined luxury to your ensemble.

**Design:** The bold ring features a dazzling simulated diamond center stone that exudes captivating brilliance. The band features intricate micro-pave detailing around the base and down each side, adding an extra layer of sparkle and sophistication. This design enhances the center stone's natural beauty, creating a harmonious and sophisticated look that is sure to turn heads.

**Material:** The ring is crafted from solid 925 sterling silver and is
