Leoda's™ Kitchen and Pie Shop offers casual family-style dining in a comfortable plantation-era atmosphere, located in Olowalu, Maui. We take a unique approach to many classic or traditional favorites—we call it glorified grandma comfort food.

Open daily from 10am- 6pm, our menu features an assortment of handcrafted sandwiches on freshly-baked bread, fresh salads, baked goods, daily specials and our famous sweet and savory pies!

Our focus on farm fresh and sustainable ingredients is important to us and we work with our local providers to ensure we are offering the best product available to our customers.
