You can find the freshest seafood on Maui at Mala Ocean Tavern. Since we buy our seafood directly from fishermen and we are located right in front of the

ocean, you'll enjoy fresh and tasty seafood anytime you walk into our restaurant. You can savor a selection of seafood, including ahi, mahi-mahi, shrimp, and lobster, while watching the breathtaking ocean views.

There is no better way to enjoy the island's famed magnificent views than to eat at an oceanfront restaurant on Maui. While enjoying your meal, you can enjoy watching the stunning blue and green hues of the ocean, feel the refreshing ocean breeze, and the gentle warmth of the sun on your skin.

Mala Ocean Tavern is opened daily 9am - 9pm for Brunch (Breakfast + Lunch 9a-2p), Happy Hour (2-4p), and Dinner (4-9p - Bar Open 'til 10p)
