At Seascope Restaurant, we take great pride in serving our guests the freshest and most sustainable seafood available. Our commitment to supporting local fishermen and the island's sustainable future is reflected in our daily featured special crafted by award-winning Executive Chef Enrique "Henry" Tariga.

Nestled on the picturesque MÅ?alaea Bay, Seascape Restaurant offers breathtaking views of the beach and harbor, making it a dining destination unlike any other on the island. Whether youâ€™re a local resident or a visitor, our restaurant provides a serene and inviting atmosphere to enjoy your meal while taking in the stunning vistas.
