Set of two Mikasa LED Touch Lights

#25

Starting Bid **\$20.00**

Retail Value \$50.00

1 Available

Elegant and stylish, Set of 2 Rechargeable 14-Inch LED Lamps brings sleek, modern style to your living space, offering a convenient light source while adding visual appeal to end tables, nightstands, mantels, and more. These eye-catching and environmentally friendly lamps are portable and cordless for maximum flexibility. LED lamps feature three light colors: warm white, natural white, and cool white.

⌘ BATTERY POWERED: Each lamp has a built-in 6000mAh high-quality rechargeable lithium battery which allows up to 9-40 hours of light (depending upon brightness) before requiring the next charge

⌘ INSTRUCTIONS: Simply touch the top of the lamp for variable dimming for the perfect light strength to suit your needs. A long press will allow you to select light brightness and a short press or tap⌘
