Â Experience Rogerâ€™s Gardens' 50 years of rich history.

The original garden center opened in 1965 by Roger McKinnon and was located off Fairview Road in Costa Mesa, California; answering the frequently asked question by customers, â€œWho is Roger?â€

Through friendship, Gavin Herbert Sr. eventually bought the business from McKinnon in January of 1970. Then in 1975, he moved the company to its current location in Corona del Mar, California.
