Solar Panel Cleaning Service – 2-Story Home (Up to 20 Panels)

#17

Starting Bid **\$135.00**

Retail Value \$200.00

Donated by **Peak Production Energy Pressure Washing**

Keep your solar system operating at peak efficiency with this professional solar panel cleaning service for a two-story home with up to 20 panels. Over time, dirt, dust, and debris can reduce performance—this service helps restore optimal energy production and maintain your system's longevity.

A great way to protect your investment and ensure your home is running as efficiently as possible. Bid now for a clean that truly powers up your home!
