The perfect holiday gift for a whiskey and bourbon lover! This six bottle packages includes Infuse Spirits brand rye whiskey, Sonoma brand bourbon whiskey, Sonoma brand wheat whiskey, Sonoma brand cherrywood smoked bourbon whiskey, Sonoma brand cherrywood rye whiskey, and Three Chord brand bourbon whiskey. One of the first 200 distilleries in the country, Sonoma Distilling Company is a pioneer whiskey producer in California and one of the very first in Sonoma wine country. Since its inception, the focus is on handcrafting small batch-produced whiskey, from grain-to-glass, using old-school style stills to create whiskeys that are authentic and unpretentious, steeped in traditional values, but fueled by the evolved needs of the modern palate. Cheers!
