Amber in color with aromas that are fully aromatic, woody and well balanced. Silky, ample, aged, with a slight touch of vanilla. Within the bottle is a spirit whose distillates are up to 15 years old, the youngest being more than 8 years old. The silky-smooth taste carries hints of vanilla within the amber colour, balanced by the aroma of wood.

METAXA Grande Fine is an extremely mature and well respected member of the METAXA family. Its distinctive ceramic bottle was inspired by ancient Greek designs originating from the island of Rhodes.

You will appreciate the superb quality of this premium spirit!
