The WorkForce Pro WF-C529R network printer offers high-productivity color printing that's easy on the budget. Powered by PrecisionCore[®] inkjet technology, this compact printer features a Replaceable Ink Pack System with Extra High-capacity packs that can deliver enough ink to print up to 50,000 ISO pages black/20,000 ISO color before changing the packs. And, it produces pro-quality prints • fast • with speeds of 24 ISO ppm (black/color), and no warmup time. PCL PostScript[®] 3™ support makes it ideal for shared printing on a network, while its open platform allows for seamless integration with enterprise applications. Plus, added security features make it easy to control access. Service fees will apply at auction checkout.
