Enjoy a relaxing Japanese shabu shabu dining experience in Campbell at the home of Susan Black and Bob Pruitt. Shabu shabu means “swish swish” which describes how you will be lightly cooking your own beef, chicken, tofu, noodles, and vegetables in a simmering broth. This enjoyable social meal is perfect for both vegetarians and non-vegetarians. The delicious meal will be enjoyed with your choice of sake, beer, or wine. We will finish off the evening with a dessert of mochi.
