Afraid of heights? Guess what - everyone one is! This outing is a chance to learn how to depend on yourself! Bring your kids and/or grandkids for an hour of rock-climbing at Movement Gyms (previously Planet Granite). Parents and grandparents are welcome to come cheer the next Alex Honnold, Chris Sharma or Tommy Caldwell on in the safe but challenging environment of the climbing gym in Sunnyvale (movementgyms.com/sunnyvale). Mauri, a trained and certified belayer will teach the kids how to put on their harnesses and safely tie into the ropes - then, it's up the walls! Kids just have an innate ability to climb - we'll let them enjoy climbing, offering some coaching tips along the way -- they will come away from the experience with a new sense of self esteem and independence. Each child is encouraged not to compete, but to just focus on themselves and their improvement. After our climbing event, we'll have pizza and watch the climbers and boulderers do their thing!
