\$340.00

Donated by Water Efficient Gardens (Shelkie Tao)/Summer
Winds/Home Depot/Silicon Valley Audubon Society/Cupertino Rotary

Package includes two (2) drought tolerant plants: California Lilac "Concha" and a Rice Flower "Dark Pink" and three (3) California natives: Grevillea Lanigera Coastal Gem, Narrow Leaf Milkweed Asclepias Fascicularis, and Ceanothus "Joyce Coulter" California Lilac, a 7" snip pruner by Anvil, a Rotary Bird House, a family membership with the Silicon Valley Audubon Society, and a 20 minute complimentary consultation with Shelkie Tao of Water Efficient Gardens (with 15% discount on work up to \$1,500). Maximum discount is \$225.

The consult is an onsite visit and a 20 minute high level landscape design consultation which Shelkie Tao will provide to the auction winner. It is good for any properties, residential, commercial, or institution within 1-hour drive radius from

Cupertino/South Bay.

Water Efficient Gardens is an online landscape design business that excels in low water and native garden designs. Shelkie Tao

is a landscape designer and the founder of [Water Efficient Gardens](#). She is a sustainability-driven entrepreneur committed to developing beautiful, water-saving and ecosystem-friendly landscaping solutions. She designed and co-led a team of volunteers to build the Northwest YMCA Community Garden successfully. Prior to Water Efficient Gardens, Shelkie worked over 10 years in the high tech industry in Silicon Valley. She received her Certificate of Achievement in Environmental Horticulture and Design from Foothill College, and MBA from the Anderson School at UCLA.
