Stanford Golf Course, a Par 70 6,213 yard course, is NOT accessible by just anyone. Only Stanford students, faculty and staff, and alumni are allowed to play this beautiful course. Located on the Stanford campus below the scenic foothills, the sprawling, championship layout is flanked by majestic oak trees and meandering San Francisquito Creek, winding through nearly half the course. Each hole offers stunning views of the surrounding mountains; San Francisco, about 30 miles north, can be seen from the elevated 18th tee. We offer a threesome with a butler/caddy for a day, a value of \$200/person IF you can manage to

get invited to play on this course. Â Max three (3) people, two (2) per cart. Date to be arranged with Mauri Okamoto-Kearney.
