

One-Year Ceramic Coating

#31

Starting Bid **\$275.00**

Retail Value \$450.00

Donated by **RPM Detailing**

Give your vehicle the ultimate protection and shine with RPM Detailing's CQUARTZ ceramic coating in Casa Grande! This advanced nanotechnology-based coating forms a hydrophobic barrier, repelling water, dirt, and contaminants while shielding against UV rays, oxidation, and chemical damage. Unlike traditional wax, this long-lasting ceramic coating keeps your paint smooth, glossy, and easy to maintain for years!
