Inspired by the infamous town of Jerome, Arizona

once dubbed

“The Wickedest Town in the West”

This painting is a tribute to the violence, rebellion, and raw history buried in its bones.

“The Ring of Fire” depicts the circle of confiscated weapons once taken from miners, gamblers, outlaws, and ghosts who walked those crooked streets.

Jerome wasn’t just a town — it was a powder keg. And this ring of rusted pistols and broken blades?

It’s what’s
