

The Endless Summer WS #2

#2

Starting Bid **\$250.00**

Watch it Glow:

[View Video Here!](#)

In collaboration with Dana Point Film Festival happening 05-04-23 to 05-07-2023, artist Whitestone has produced original works of art that change colors depending on the type of light projected and in the absence of light altogether. This original painting will glow in the dark all night!
