KARL MECKLENBURG HAND SIGNED CARD AND BRONCOS PHOTO DISPLAY

In 1983, the Denver Broncos drafted Karl Mecklenburg in the 12th round with the 310th pick overall. In spite of his low selection, Mecklenburg went on to become an integral part of the Broncos' Super Bowl teams of the 1980s. He played in six Pro Bowls. His 79 sacks is the third highest total in franchise history; he is one of only three Broncos with four sacks in a game, and the only one to do so twice. In 2001, during half time of a game against the Baltimore Ravens, he and Dennis Smith were inducted into the Denver Broncos Ring of Fame. He is also in the Colorado Sports Hall of Fame and serves on the Broncos Alumni Council.
