Help bring Leadership and Skill Training to many students this year!Â

Cost of Leadership & Skills Training ranges between \$2,000 - \$5,000 per student per year

- There is a big need within both Uganda and South Sudan to provide skills training. For example, the mortality rate for infant and mother during delivery is extremely high so Favor needs to provide skilled training in midwifery.
- We need skilled radio technicians, D-class drivers for our new vehicles, IT technicians, accountants, legal training, and engineers for overseeing construction. In order to be instruments that help transform a nation, this skilled training needs to be for the people of the land so they can give back in Kingdom culture to their own land.
- Favor is intent on seeing our staff further their education. and developâ€¦
