Provide Youth & Community Empowerment - Fund a Teenager to go to Secondary School for a Year!

#43

Starting Bid **\$400.00**

Donated by **You!**

Keep youth off the streets and provide a brighter future and hope with Youth and Community Empowerment by funding a child for 1 year to go to Secondary School!

Â

Cost -Â \$400 per year/per child

- Favor's secondary school is Grades 9-12. Our school package provides tuition and supplemental items needed for school.
- In Africa, all children have to pay money to get an education. Favor Secondary offers a Christian education, Biblical foundation, accelerated learning, leadership development and missionary focused training.
- All of the children bring their own list of supplies which allows the school to have enough resources and materials to function and run smoothly for the year.
