About this product

Help students reach their potential with cloud-first learning on the durable HP Chromebook 11 G8 EE that keeps pace with active student lifestyles while the fast-booting Chrome OS makes IT management easy.

Give students a Chromebook that can survive a fall off a desk, a splash from a soda or a tugged power cord. It resists spills and attempts to remove keys, has metal-reinforced corners, and is 122 cm drop tested -- higher than most desks.

- With a base clock speed of 1.1GHz and max turbo frequency of 2.8GHz the Intel Celeron N4020 leaves little to be desired over the previous generations
- 32GB eMMC: A soldered solid state drive that leaves the power at your fingertips with the fastest data transfers currently available
- Chrome OS has similar functionality to Windows but has all the enhanced features you could ask for

- 4GB RAM memory allows smooth performance for you everyday use, photo and video editing applications
- DDR4 RAM: with its higher bandwidth, everything from multitasking to work reports get the performance boost you've been looking for
- Featuring a HD 1366 x 768 display, the exceptional resolution delivers crisp performance
- 11.6" display offers the perfect size to keep you going without consuming too much space
- The standard sized keyboard lets you work and play all day without compromise
- WiFi 5 (802.11a/b/g/n/ac) Wi-Fi antenna delivers a strong and reliable Internet connection
- 47Wh lithium-ion battery with a run time of up to 8 hours
- 1-year limited warranty
