WHAT IT IS.

COLOR ANALYSIS

Evaluating skin undertone to determine if warm or cool colors are best to enhance your natural beauty.

HOW IT HELPS

Determine the best colors worn by the face to lighten & brighten, soften & refresh your skin for a glowing complexion.

TAKE AWAY

Once your season is confirmed, all the colors will be draped to see your absolute best colors and a swatch book provided to take shopping.

Starting Bid **\$25.00**

Retail Value \$80.00

1 Available

Donated by **Erin Sambroski**

During this personalized consultation, a color expert will identify the shades that best complement your natural skin tone, hair, and eye color. You'll learn which colors enhance your appearance, simplify shopping, and help you build a wardrobe that makes you look and feel

your best.
