

## Pedego Element Electric Bike

#1

Starting Bid **\$500.00**

Retail Value \$1,895.00

Donated by Pedego 101 Electric Bikes

*The Pedego Element is like the Swiss army knife of electric bikes. It's a perfect fit for a wide variety of people and riding styles. The Element has a powerful 500-watt motor\* and can go for up to 20 mile between charges\*. The fat tires take you wherever you want to go whether it's the beach, the mountains or the streets around your home. It comes in six delicious colors. We've got you covered with a 2-year warranty and local service.*

*\*Upgraded motor and battery available for purchase.*
