\$70 Gift Card for NABU Wines & Tasting Room in Westlake Village. The recently expanded NABU tasting room hosts wine tastings, live music and a fabulous gift shop with something for any wine aficionado.

NABU was selected by Los Angeles Daily News readers as the Best Wine Tasting Experience of 2022. They wrote, "Wine made in small batches is like a beautiful sunset: exquisite, fleeting, and only enjoyed while it lasts. The owners of NABU Wines have created a very popular winery in Westlake Village that lives for the moment in the same spirit. What wine connoisseurs and novices love about NABU's wines goes even beyond the grapes. The delectable wines are necessarily limited in supply, crafted by owners and winemakers Greg Barnett and Jeff Bailey from grapes grown in the Napa Valley and the Malibu Coast, hence the name NABU. While enjoying NABU's wines by the glass you can sit back and enjoy Barnett's celebrated collection of vinyl records spanning decades that entertains guests for hours. Visitors can also bring their own food in or buy it from choice food trucks NABU invites to the property."
