Six music Emmys, two Grammy nominations, four gold records, seven Public Television specials and 8 million records sold. After more than three decades as an international entertainer, John Tesh's recording and live concert career continues to thrive today.

In John Tesh's concerts, the beloved pianist, composer and Emmy Award-winning radio and TV host reminisces about his life and 30-year career through music, pictures and hilarious anecdotes. Tesh reveals how he got his first job in radio, the enduring impact of his Olympics theme song, and the story behind that infamous Red Rocks Live performance in the driving rain. Featuring appearances by John's daughter Prima and son Gib, John also tells of his recent battle with cancer, and gives an inspiring meditation on persistence, grit, purpose and the importance of faith and family.
