Whether he's squeezing out the deepest blues or playing the funkier soul grooves, legendary blues and soul giant Tommy Castro knows how to ignite a crowd. Over the course of his still-unfolding career, the guitarist, vocalist and songwriter has released 16 albums ranging from horn-fueled soul and R&B to piping hot blues to fiery rock 'n' roll. He's performed all over the world, earning countless fans with his legendary, sweat-drenched, exhilarating live shows. Castro's band, The Painkillers—bassist Randy McDonald, drummer Bowen Brown and keyboardist Michael Emerson—have now been playing together over four years. After hundreds of live shows, they have coalesced into one of the telepathically tightest units Castro has ever assembled, making them one of the most in-demand live roots music acts performing today. *Billboard* says the band plays "irresistible contemporary blues-rock" with "street-level grit and soul."
