With a host of concepts flourishing across the nation and around the world, Landry's, Inc., through its subsidiaries and affiliated entities, continues to find success on all fronts. Landry's is no stranger to accolades – we have seen numerous honors over our three decades. That's not to mention the multitude of awards the individual concepts owned and operated by our subsidiaries and affiliated entities have received from newspapers, food critics, and other establishments. The Post Oak Hotel at Uptown Houston is the city's only AAA Five-Diamond recipient. The Golden Nugget Lake Charles and Las Vegas as well as the San Luis Resort in Galveston have received the AAA Four-Diamond award to top off the list.

Our group's unstoppable momentum has helped us rise through the ranks of our competitors as Landry's brands sprang to life all over the map. This has been a constant throughout the years. When we were publicly traded, we were often called a "darling" of Wall Street. Now, as a privately-owned company, our vision is as clear and bold as ever.
