20" W x 24" H

Artist | *Leesa Fregin*

My involvement in the art world extends back as far as I can remember, from painting as a young girl to helping showcase museum and gallery exhibitions. I will always hold a love for art, whether I be creating, curating, or simply appreciating it. The lines in my series of three depict the beauty of a woman's body through my lens, otherwise known as, Lines by Lees.
