Big Iron represents the strength and fearlessness women carry with them and that I carry within myself. A new day is on the horizon as the sun rises, but a storm is on the horizon, and her Big Iron is ready.

Kortney Jones *My creativity is what drives me, calms me, and keeps me alive. My childhood inspires me and reminds me never to let go of happiness. The old South West awakens my artistic spirit, and with oil as my medium, I have created some beautiful pieces that embody my thoughts, emotions, and desires.*
