Muscle Beach - I went into this piece with the goal of combining abstract dripping effects layered with sharp clean stenciled line work. There is a feeling of depth in this piece. That is because there are three layers of

resin. I chose the name "Muscle Beach" because the colors and

composition reminded me of the iconic muscle beach hot dog stand.

Matthew Laurence Knott - I am a multidisciplinary artist based in South Orange County, California. I am self-taught and best known for my eye-popping characters and obsession with color. Growing up I found my inspiration in comic books, cartoons, and street art. My goal is to distract viewers with my work and invoke a state of bliss and joy. My art has taken me around the world collaborating with brands such as Armani, Levono, and Samsung.
