Primary Swipe - The title for this piece is quite literal. I used a primary color palette of red, blue, and yellow. In this piece I wanted to explore techniques in swiping paint across different sections of the panel.

Matthew Laurence Knott - I am a multidisciplinary artist based in South Orange County, California. I am self-taught and best known for my eye-popping characters and obsession with color. Growing up I found my inspiration in comic books, cartoons, and street art. My goal is to distract viewers with my work and invoke a state of bliss and joy. My art has taken me around the world collaborating with brands such as Armani, Levono, and Samsung.
