**Reva** is inspired by my love for wild horses and trick riding given to me by my great-great-grandmother, who is a legend in the Cowgirl Hall of Fame.

I conducted this piece to honor the working horses of Otra Mas. Wood burning is an old and new passion of mine, and I love that I was able to create this piece.

The sale of this piece will be donated back to Independent Creatives  
benefiting charity Otra Mas.

**Kortney Jones** *My creativity is what drives me, calms me, and keeps me alive. My childhood*

*inspires me and reminds me never to let go of happiness. The old South West awakens my artistic spirit,*

*and with oil as my medium, I have created some beautiful pieces that embody my thoughts, emotions,  
and desires.*
