TODO - inspired by my new found obsession with abstract

art. Over the past couple years I have been on a journey, mastering

*different abstract techniques. In Spanish the word TODO translates to
"all." I*

*titled the piece todo because I literally used all of the paint I had
available.*

Matthew Laurence Knott - I am a multidisciplinary artist based in South Orange County, California. I am self-taught and best known for my eye-popping characters and obsession with color. Growing up I found my

inspiration in comic books, cartoons, and street art. My goal is to distract viewers with my work and invoke a state of bliss and joy. My art has taken me around the world collaborating with brands such as Armani, Levono, and Samsung.
