Tooned Up - inspired by my love for cartoon characters.

This piece is a tribute to the iconic television show "Looney Tunes." I

wanted to incorporate my own worm characters into the image alongside

my favorite members of the Looney Tune universe.

Matthew Laurence Knott - I am a multidisciplinary artist based in South Orange County, California. I am self-taught and best known for my eye-popping characters and obsession with color. Growing up I found my inspiration in comic books, cartoons, and street art. My goal is to distract viewers with my work and invoke a state of bliss and joy. My art has taken me around the world collaborating with brands such as Armani, Levono, and Samsung.
