Alps Joie de Vivre | French Alps 4 Bedroom | 4 Bath | 7-Nights

Feel the alpine joie de vivre when you step into your luminous apartment in the heart of the French Alps. A contemporary play on chalet living, your home opens onto an enormous terrace with an XL hot tub and spectacular views of the mountains. Greeting you warmly on arrival is a welcome basket of fine goods, including a handpicked bottle of French wine and a thoughtful selection of coffees and teas.

Spend your days relaxing beneath the gentle alpine sun - with a spacious grill area, alfresco dining, and inviting conversation sets, you'll gravitate outside at every chance. Indoors, a brand-new Scandi-chic design invites a sense of relaxation, from four soothing en-suite bedrooms to the open-concept living featuring laid-back lounging and a sleek, fully equipped kitchen.

Nestled by the village of Morzine, your home is only two minutes away from

the French Alps' most celebrated summer resort. Breathe in the sweet alpine air as you hike past cascading rivers and breathtaking views, then experience the thrill of paragliding or Whitewater rafting through the mountains. An optional summer pass is your ticket to family fun, with access to pools, gondolas, and sparkling glacial lakes.

In the winter, a six-minute walk brings you straight to the Morzine ski lifts, your gateway to twelve spectacular ski resorts spanning Switzerland and France. Experience the indescribable thrill of flying down 600 km of pristine powder trails, then swap your skis for snowshoes, skates, or a horse-drawn sleigh. Stay warm, dreaming of the evening ahead when you'll soak in the hot tub beneath snow-blanketed peaks.
