Punta Mita Paradise | Mexico

3 Bedroom | 3 Bath | 4-Nights

Time passes differently in Punta Mita - a feeling you'll share when you set foot in your boutique luxury residence. In one of Mexico's most exclusive gated communities, your stay promises premier resort amenities and unparalleled relaxation.

Professionally-styled interiors characterize your contemporary home, balancing upscale finishes with organic accents for an elevated yet laid-back design. Three tranquil bedrooms offer a quiet sanctuary while a spacious private terrace gazes out over the distant ocean.

Listen to the soft melodies of songbirds as you watch the sunrise over the palms, or start your day with a refreshing dip in the luxurious shared pool. We've also included one of our favorite local experiences in your stay - an in-

villa tequila tasting complete with expert culinary pairings.

As a valued guest, enjoy premier membership to the Kupuri, Pacifico, El Surf, and Porta Fortuna beach clubs and preferred rates and access to two Jack Nicklaus golf courses. End your day with a gourmet meal at one of the world-class restaurants on-site and let time pass you by.
