Healthy skin has several essential qualities. First, it's hydrated. Hydrated skin is plump, elastic and better able to combat the appearance of wrinkles and other signs of aging. Dryness, flakes, peeling and tightness are signs your skin is seriously lacking moisture. Second, it's bright. Healthy skin looks and feels smooth, with consistent color and a gorgeous glow. Third, it's clear. Healthy skin is free of congestion and obstructions. Pores are not enlarged and clogged with sebum, dead skin cells and other debris.

A holistic approach achieves optimal skin health. Like seeing a dentist for your teeth, your personal skincare regimen works best when combined with regular professional visits. A deep cleansing, exfoliating and hydrating treatment enhances the work you're doing at home. At
