### Boston, Massachusetts

Boston, Massachusetts is set to play a key role in the 2026 FIFA World Cup, hosting seven matches at Gillette Stadium in Foxborough, including a major quarterfinal on July 9. This marks the first time the stadium will host World Cup matches, with five group-stage games scheduled for June 13, 16, 19, 23, and 26, followed by a Round of 32 knockout match on June 29. Known for its passionate sports culture and enthusiastic fan base, Boston is expected to deliver an unforgettable atmosphere as it welcomes teams and supporters from around the world.

While Gillette Stadium makes its World Cup debut, Boston is no stranger to hosting international soccer, having hosted matches during the 1994 FIFA Men's World Cup and the 1999 and 2003 FIFA Women's World Cups. With its blend of
